*We Make Music Worth Seeing*

**Sponsor a Camellia Junior Today!**

***This program is part of the Camellia Symphony Orchestra's Education and Outreach Program.***

The **Camellia Juniors Orchestra** was created to offer high school string students the opportunity to expand their performance skills in a professional setting.

CJO musicians perform prior to each Camellia Symphony concert at the Memorial Auditorium and as well as other community concert events. CJO members work closely with music director and conductor, Nina Vigil to improve their skill level and to enhance their public performance experience.

To assist with the expense incurred for this education and outreach program, CJO is seeking Chair Sponsorships for each of its student musicians.

The sponsorship is \$250 and covers the basic organizational costs such as building a library, CJO administrative office support, venue rental costs and more. Additionally, your CJO Sponsorship includes 2 Season Subscriptions, a value of \$180!

In recognition of sponsorship support, your name will be listed in the main concert program along side a student musician.

**S P O N S O R S H I P**

**YOUR SPONSORSHIP SUPPORT IS ONLY \$250 FOR THE ENTIRE 49TH SEASON!**
